Sir,

I have the honour to forward for orders the accompanying application from the Trustees of Mari Mallappa's Charities, for an increase of the Government grant given to Mari Mallappa's High School at Mysore. The present grant of Rs 50 a month was sanctioned in Chief Commissioner's Proceedings No. $\frac{34\ 11-12}{\text{Edn } 49}$ of the 10th September 1880

The Director of Public Instruction.
Mysore

Sir,

We, the undersigned Trustees of Murrimullapah's charities, Mysore beg permission to apply for an increase in the amount of Grant-in-aid to Murrimullapah's School which is now supported by the income of the fund belonging to the said charities and school fees and the amount of Rs 50 per mensem Grant-in-aid from the Government.

2 The Trustees have collected all the outstandings due to the charities and have invested Rs 30000 in the 5 per cent Mysore Railway Loan 1882. The annual income to the charities out of the debentures of Rs 30000 is Rs 1500 or Rs 125 a month.

3 The school fees as per return submitted to you amounted to Rs 417-9-0 during the last year or an average of Rs 34-12-9 a month. The number of boys on the roll on 31st August of the year is 183 and the average attendance during that month is 157.

4. The Highest class is the Matriculation class. In the year 1879 three boys passed the Matriculation Examination, one in the first class. All the three continued their studies for F. A. in the Maharajah's College Mysore

the number when the trustees
assumed the management of the school. The
school is now equal to several of the Government
District Schools where the Head masters are
paid from Rs 100 to Rs 200 a month. The
Trustees find it necessary to increase the pay
of the Masters, to double of the amount now
sanctioned to keep up the present progress of the
school. The Trustees therefore request you
will be pleased to sanction the increase of the
Grant-in-aid to Rs 125 a sum equal to the
present permanent income of the charities.

Besides the income of the charities a
large building with a good Compound belonging
to the charities is made use of for the school house

The school can conveniently accommo-
date all the boys of the Lower or primary School
of the Maharajah's College, Mysore which
may the Trustees trust, advantageously
be abolished.

We have the honor to be
Sir,
your most obedient and
humble servants

Raising the Govt. grant
to Mari Mallappas High
School at Mysore to 100 Rs

Letter from the Director
of Public Instruction
No. 2013 dy. 29th September
1882 forwarding an
application from the
Trustees of Mari Mallappa's
Charities ~~abstract~~ for
an increase of the Govt
grant to Mari Mallappa's
High School at Mysore

No. S-226-7 of 22/11/82

Order thereon :—

The School referred
to is in such a flourishing
condition that the
Dewan has no hesitation
in raising the Govt grant
to it to Rs. 100 per month—
It is hoped that the
Trustees will be able
to secure from the
income of the Charities
and Subscriptions and
School fees, a further
sum of Rs 200 per month,
and maintain an
efficient staff of Masters

The teaching of young children requires care and special qualifications and it is important that attention should be given to securing efficiency in the Masters employed for the lower classes—

2- Now that Mysore has two Elementary Schools both supported by Govt. grants, viz, the Wesleyan Mission and Mari Mallappa's High Schools, the question of abolishing some of the lower classes in the Maharaja's Govt. College may be taken into consideration—
